

Cruise Land Services is an essential part of what we do.

We play to our strengths - shore excursions, pre/post tours, private arrangements and turnaround services.

At Kuoni Destination Management UK & Ireland, we are part of a larger network of cruise specialists across Europe that have been providing top quality land services to the cruise industry for decades. We are proud to continue that tradition in the British Isles.

We are a team of passionate cruise experts dedicated to the creation of high quality and rewarding land experiences.

We consistently measure and evaluate our services, benchmarking them in order to grow and develop with the increasing demands of today's cruise industry.

We love what we do. We hope you do too.

Why Use Us?

Top five reasons Strong supplier base covering the whole of UK, Channel Isles as well as Isle of Man. Dedicated team of cruise professionals. Fresh and forward thinking. Regional coverage. We get the job done with a smile.
