Akorn Destination Management

Curating a new era in Luxury Shore Excursions

From our European offices based in the UK, Italy and Spain, we offer private shore excursions for cruise line guests in over 50 ports across Europe. This allows guests to travel in the privacy of their own party,

but also to customise their tour to suit their individual interests. Time is a precious commodity for our cruise line guests who may only dock in each port for a day at a time and we recognise that, though time may be short, our guests still seek authentic and unique experiences that expands their appreciation of their chosen destination.

Covering an expansive range of destinations across England, Scotland, Wales and Northern Ireland, we are proud to offer a wide selection of exceptional pre and post cruise experiences within each destination. In 2023, Akorn, part of Abercrombie & Kent, entered the UK shore excursion world, curating a new era in luxury cruise expeditions.

Boluda Towage SMS

Leading in safe harbour towage

We are an international towage company providing harbour towage services in the UK, Netherlands, Germany and Belgium.

In May 2024 Boluda Towage acquired the British company SMS Towage Ltd and took over the harbour & offshore towage services and marine operations, together with the management, office staff, crew, and fleet, based in the United Kingdom.

Since operating in the UK in 1992 as a ship management company and since 2002 as a towage operator, SMS has emerged as a major player in the UK towage market. Currently, the company is operating in the

UK ports/regions of Tyne, Tees, Humber, Portsmouth, South Wales, and Belfast with a fleet of 20 tugs.

The addition of SMS will strengthen the position of Boluda Towage, already operating in the ports of Invergordon (Cromarty Firth), London, Liverpool, and Southampton, as a global leader in towage and sustainable maritime services, with a broader scope in the UK. The geographical footprint of both Boluda Towage UK and SMS Towage is complementary.

Boluda Towage is a family-owned company, a world leader in maritime services, providing towage services in the world's main ports. This division of Boluda Corporación Marítima is currently present on the continents of Europe, Asia, Africa, and Latin America, and operates a solid, diverse, and extensive fleet with dedicated and highly-skilled crew. This division also provides offshore towage and salvage operations.

Svitzer Marine

We do it safely or not at all

SVITZER

Since 1833, Svitzer has provided safety and support at sea.

With over 4,000 employees, a fleet of 430 vessels and operations all over the world, we are the global leader in harbour towage.

Here in the UK, we operate in the cruise ports of Avonmouth (Bristol), Greenock, Liverpool, London, Southampton, Swansea and Tyne.

Globally, Svitzer operates in 40 countries, 130 ports and 34 terminals.

Solent Stevedores

Solent Stevedores is a leading provider of baggage handling, stores handling and other support services to cruise ships visiting the Port of Southampton

Solent Stevedores is a specialist port operator working throughout the UK and Jersey. The company operates long term contractual activities in the Port of Southampton, the River Thames, the Port of Jersey, and the Port of Immingham. Handling a diverse range of commodities and with a permanent workforce in excess of 200 personnel, Solent Stevedores is a market leader in the provision of Port services in the UK.

In the Port of Southampton, the company specialises in the provision of a wide range of supporting services to some of the cruise industry's biggest brands. Every year company staff greet over 1.6 million

passengers, load 2.3 million suitcases and handle 75,000 tonnes of provisions across 340 turnaround calls, making Solent Stevedores the UK's leading cruise stevedoring operator.

The company's full time cruise department and experienced management team are dedicated to providing the highest levels of customer service to cruise lines and their guests, including mooring operations, baggage handling, stores handling, mobility assistance and portering services. A fleet of over 50 machines and other specialist equipment, fabricated in-house, ensures these services are achieved seamlessly.

All Solent Stevedores staff understand the need to provide outstanding service in a safe environment. The company consistently strives to improve the service offered to customers through innovation, investment, feedback, and through measuring performance. As well as a highly trained and experienced workforce, Solent Stevedores is accredited to ISO9001 and ISO14001 Quality and Environmental standards.

Working with the Port of Southampton's cruise stevedoring supplier of choice, ensures you are in safe hands.
