

Denholm Port Services

Denholm Port Services are the largest independent Port Agent in the UK, specialising in Cruise. Providing the highest level of port agency services to our vast portfolio of clients around the UK. DPS have a network of 13 offices covering all UK mainland ports and wholly owned port agency offices in Shetland and Orkney. DPS are proud agents to over 30 cruise lines calling to the UK covering turn, transit, showcase and drydock calls.

Denholm Port Services Cruise Operation is underpinned by a centralised team of Cruise Coordinators based in our Head Office, our Cruise Hub team work closely with our cruise clients, UK Port Authorities and the service supply chain to manage itinerary planning, berth reservations, cost estimate production, operational planning and final invoicing.

As part of the Denholm Group, DPS can provide additional services via our group companies including Customs, transport and warehousing.
