

Excursions Ltd

The UK's leading specialist in land arrangements for the Luxury and Expedition cruise market

Founded in 1999, Excursions Ltd is an inbound tour operator specialising in shore excursions, expedition visits and specialised touring throughout the UK.

Our team consists of talented professionals who have significant travel, hotel, cruise and event management experience. We have offices in central England, Edinburgh and Orkney and provide services in all ports around the British isles.

With an unsurpassed reputation within the cruise industry we are efficient creative professionals dedicated to providing the very best service possible for our customers and we enjoy working closely with the local communities to ensure the product we offer our cruise line clients will leave their guests with wonderful lasting memories of their visit.
