

Portico Port Services

Our People are your people

Portico Port Services (PPS) delivers first-class staffing, port services and integrated logistics solutions to the cruise, ferry, cargo and wider ports industry. We work in close partnership with port authorities, cruise lines, ferry operators and logistics providers to ensure safe, efficient and reliable operations across every stage of the port call.

PORTICO
PORT SERVICES

Operating primarily at Portsmouth International Port, with the flexibility and capability to deploy at ports across the UK, PPS supplies an experienced, highly trained and professional workforce tailored to each client's operational requirements. Our core services include specialist mooring services, stevedoring, terminal operations, vessel support and flexible labour solutions, supporting both passenger and freight activities.

In addition to port and marine services, PPS provides a range of integrated logistics solutions through the Portico Holdings Group which offers a full range of complimentary services; including warehousing, customs agency services, freight forwarding and transport, enabling seamless end-to-end support for cargo and supply chain operations.

Our people are central to everything we do. We offer our workforce the opportunity to work in unique and rewarding maritime roles, while giving our partners confidence that their operations are supported by skilled, safety-focused professionals who understand the demands of the port environment.

Why use us?

Top five reasons to use Portico Port Services

1. Experienced and Professional Workforce - Our highly trained teams bring extensive experience across cruise, ferry, cargo and port operations, ensuring safe, efficient and reliable service delivery every time.
2. End-to-End Port and Logistics Solutions - From berthing, stevedoring and terminal support to warehousing, customs agency, freight forwarding and transport, we provide integrated services through the Portico Holdings Group, that simplify operations and reduce complexity.
3. Trusted Partner Approach - We work collaboratively with our partners, tailoring solutions to their specific needs and building long-term relationships based on reliability, professionalism and performance.
4. Safety Focused, Operational Excellence - We operate to the highest safety and compliance standards, with robust training, clear procedures and a strong safety culture embedded across all roles.
5. Flexible Labour Deployment - While we operate primarily at Portsmouth International Port, our ability to deploy skilled personnel across any UK port allows us to respond quickly to changing operational demands.
