

Isle of Man

Come to your senses – come to the Isle of Man

Imagine a place which is far away from the hustle and bustle of everyday life. A place with breathtaking scenery and a relaxed and undemanding pace of life, where you're guaranteed a warm welcome, friendly service and the very best of hospitality.

Imagine the Isle of Man

The Isle of Man is a self-governing British Crown dependency in the Irish Sea between England and Ireland. It's known for its rugged coastline, medieval castles and rural landscape, rising to a mountainous center.

The Island is incredibly proud of its motorsport heritage with the world famous TT and Manx Grand Prix Races attracting thousands of visitors to Manx shores each year.

Top Five Facts About the Isle of Man

1. It has the oldest continuous parliament in the world, Tynwald, which dates back over 1,000 years.
2. The island has many hills but only one mountain, Snaefell, 2,036ft high. From the summit, on a clear day, you are guaranteed to see seven kingdoms: the Isle of Man, England, Scotland, Wales and Ireland along with the sea and Heaven.
3. The island has its own stamps, its own currency (the same denominations as the UK) and its own language, a Celtic Gaelic.
4. The TT Races – the initials stand for Tourist Trophy – are held over a course 37¾ miles long, which the fastest competitors can complete in just 18 minutes reaching speeds of up to 200mph.
5. The RNLI was founded on the Isle of Man by Sir William Hillery.
