Liverpool

If Liverpool was in the dictionary, right next to it you'd find the words 'dynamic' 'passionate' 'welcoming', 'diverse', 'creative'. The city offers unsurpassed visitor experiences within a 10 minute walk of the cruise terminal with a host of award-winning attractions, national museums and galleries; some of the UK's most stunning architecture and not one, but two majestically different cathedrals, making it one of the top visitor destinations in the UK.

Liverpool Cruise Terminal welcomes the world to the heart of our city, with some of the greatest cruise liners at sea berthing directly onto our UNESCO World heritage waterfront. We've always known how to make people feel welcome in Liverpool and we know a thing or two about great voyages.

We deliver ground breaking world- class events such as 'Giant Spectacular', 'The Mersey River Festival' and 'The Liverpool International Music Festival whilst on 25 May 2015, the Cunard fleet of Queen Mary 2, Queen Elizabeth and Queen Victoria returned to their spiritual home of Liverpool creating an unprecedented maritime event that attracted a global audience and a reported 1.3 million spectators to the River Mersey.

The City's maritime heritage is epitomised by its iconic waterfront, designated a UNESCO World Heritage site and home to the magnificent Three Graces and Museum of Liverpool. The city also has more National museums and galleries than any other city outside of London, including Tate Liverpool, the Walker Art

gallery, The International Slavery Museum and The Beatles Story Museum.

Liverpool is of course synonymous with music, not just The Beatles, but also the world- renowned Royal Liverpool Philharmonic Orchestra, as well as being the location of a number of the UK's biggest music festivals.

With music, sport, heritage, architecture and easy access to historic Chester and the inspiring landscapes of the Lake District & North Wales, Liverpool's appeal to the international passenger is unbeatable.
