

## Thames Clippers

The fastest and most frequent fleet on the River Thames

**thames clippers**

Uber Boat by Thames Clippers are the fastest and most frequent fleet on the River Thames.

The 15 high speed catamarans link London's attractions to transport guests through the city in style. On board your guests will enjoy climate controlled indoor cabins with comfortable seating, outdoor decks and licensed on-board bars.

Services stop at popular leisure piers every 20 minutes, including North Greenwich for The O2, Royal Greenwich, Tower, Bankside, London Eye and many more.

Exclusive packages and experiences can be tailored to your requirements; from private cruises, joint ticketing packages with the best of London's attractions or memorable transfers from cruise ship to the city.

Thames Clippers and Uber launched their partnership in July 2020.

## Why Use Us?

### Top 5 Reasons to Choose Us

1. On board you'll find comfortable seating, climate controlled indoor cabins, outdoor back decks and licensed coffee bars
2. Avoid central London congestion and glide through London. Enjoy city sights and spectacular architecture; river travel offers the best views of the capital
3. All our vessels are wheelchair accessible, ramps are used for boarding
4. Enjoy a free and informative commentary about London's sights with the in:flow audio guide app
5. Our experienced sales team will work with you to create bespoke packages with exclusive rates available on request

## Services

Bespoke private charters and experiences for your guests, choose a sparkling reception with canapes or an afternoon tea experience

River transfers direct from the cruise ship to London

Scheduled frequent services from a number of popular visitor piers

Joint ticketing with some of the city's most iconic attractions

Work directly with our experienced sales team to create an experience suited to your needs, exclusive rates available on request
